RUN THE RACE

Focus + Purpose

Focus enables a person to keep on moving to a central point or goal. Purpose provides the determination and resoluteness to pursue the goal, letting neither problems nor concerns deter from running the race of faith.

This next phase of RUN THE RACE emphasizes movement. Empowered by the Holy Spirit, we move out – to be witnesses, to show the love of Jesus to one who needs it, to invest our life in the life of another. The Spirit will not only show us how to do these things but empower us to do so. God bless you as you Run the Race of Faith in Jesus!
